Joe,

I emailed Bob Montgomery a couple of times about arranging a review of documents in Fort Belvoir Virginia relating to Belle Mead, that may have some information about drums sent to Bayonne. I haven't gotten a response. Is he around? I would like him to make an appointment to look at the documents and also bring someone from Kirkpatrick and Lockhart, if its allowed. Actually, the K&L person would probably go alone, but I figured it would be much easier to get access if EPA did the requesting.
